Faith makes a difference! MHF Membership Campaign – 2015-16

“Excellent!” “Each speaker uniquely gifted and suited to topics...workshops informative, presenters well informed, gifted communications...” “I was impressed by the diversity and quality value of the speakers / presenters.” Worship [was] relevant, appropriate [to the theme], Spirit-led and Spirit-filled.” These were some of the comments coming out of the MHF Annual Gathering in July 2015 in Harrisburg, Pennsylvania.

Why should you join and participate in another professional association? Why would you travel on a weekend to join a diverse group of Anabaptist Christians at an Annual Gathering? What motivates you to take the time to answer an email or attend a Regional Meeting? Why would you be interested in reading another quarterly journal?

Faith makes a difference! Christian faith from an Anabaptist perspective is why Menonite Healthcare Fellowship (MHF) exists! **Faith makes a difference** in how we live our lives, carry out our work as healthcare professionals, and relate to the persons we work with and care for.

Faith makes a difference in the resources you get with MHF! In what other setting can you participate in hearty singing and hear a presentation on medical care in India all in one session? Where else do you get an opportunity to read Anabaptist perspectives on the healthcare issues of our times and share your own views? Where else do you get medical, psychological, and theological perspectives on death and dying in one evening meeting? In what other settings can you build networks among Anabaptist colleagues with a range of professional perspectives?

If faith makes a difference in your life, I hope you will join and support MHF this year! Membership dues vary according to your stage in life and are considered as contributions for tax purposes. Extra donations help support the lean operations of MHF as well as mission-driven projects for students and others, both in North America and around the world!

Please look over the materials with this letter or go to www.mennohealth.org/membership for complete information. May God bless you as you serve in healthcare!

Warmly in Christ,
